

## Adjustment Instructions

### Flywheel Step .080" or 2.0 mm

All measurements are taken after the clutch assembly is bolted to the flywheel

D = Measurement is from the flywheel mounting surface to the release lever – 3.860"

D1 = Measurement is from the flywheel mounting surface to the release lever – 4.840"

### Warranty Note

A flywheel mating disc has been included with this clutch unit to ensure that it achieves the longest life possible.

Failure to install a serviceable disc within these tolerances will void the clutch unit's warranty. If you have any questions call our Service Department.
